3. SEO Keywords

Keywords that can help customers discover the salon through search engines.

beauty salon near me beauty salon appointment booking hair salon facial near me bridal makeup manicure pedicure best beauty salon online salon booking beauty services

4. Social Media Marketing Plan

Build awareness and convert followers into appointment bookings.

Instagram

Post service reels, before/after transformations, offers and customer-friendly beauty tips.

Facebook

Share packages, festive offers, reviews and appointment links with the local audience.

WhatsApp

Use status updates and quick replies to answer questions and confirm appointments.

5. Advertisement Design

Sample digital advertisement for social media.

Look fresh. Feel confident. Book your beauty appointment today and enjoy our selected salon packages.

6. Email Marketing

Use useful reminders, offers and personalised messages to encourage repeat bookings.

Sample Email Campaign

Subject: Your next glow-up is waiting ✨

Hi! It's time for a little self-care. Explore our latest beauty services and book your preferred appointment online.

7. Easy Appointment Booking

Improvement suggestion: replace manual booking with a simple digital booking form.
